

# Fremantle Speech Pathology Services

## Learn How Words Work

Dear parents and caregivers,

Please note that as of the start of Term 3 (Monday 20th July 2026), the fee schedule for sessions at Fremantle Speech Pathology Services will be as follows:

### Assessment

Assessments will range from **\$350 to \$1067** according to the complexity and length of the investigation. This price includes administration of the test battery, scoring of results, analysis of data and a written report. All language and literacy reports include a 30 minute parent meeting to discuss the assessment results.

### Intervention

60 Minutes \$180

45 Minutes \$141

30 Minutes \$97

We have made the decision to keep our 30 minute rate at the same price again this year; however, this may be subject to an increase later in the year.

### Indirect Service Fee Schedule

In some instances, additional indirect services are requested such as :

- IEP meeting
- Teacher meetings
- Parent discussion / meeting
- Liaison with other professionals
- Additional resource development / holiday packages

These services do play a vital role in the overall success of your child's therapy and contribute to their long-term progress. These indirect services will be charged at \$180 per hour.

### Written Documentation

Written Documentation includes:

- Follow-up reports (At least 4 weeks following the final session of the assessment)
- Treatment summaries
- Progress reports
- Letters of support
- IEP documentation
- NDIS reviews

This indirect service will be charged at \$180 per hour.

### **Case Conferences**

The fee for a case conference is \$180 per hour plus \$90 per hour travel time. This can be conducted in person, via phone or Zoom.

### **Travel Time**

Travel time will remain at \$90 per hour (calculated from the clinic to the site and return).

For all payments made via MEDIPASS/Tyro Health, a surcharge of 2% is applied.
